

Wrocław University
of Science and Technology

SUMMER SCHOOL

BLENDED EDITION

3 weeks of course

2 weeks in magical Wrocław, 1 online

7-25 July 2025

3E+

Our Programme offers interactive small-scale courses. They are designed to provide an intensive, in-depth look at your topic of study. As **3E+ is open to applicants from all over the world** you will engage in discussions with a unique group of peers! Apart from lessons, you will get to enjoy our fun and exciting Social Programme! We offer City sightseeing tours and all day trips outside the City of Wrocław. We arrange a variety of social events to help you get to know your colleagues and Poland better while having fun!

WHY WROCLAW?
