

# International Teaching Days 2025

Where international perspectives  
meet practical learning.

# Welcome to International Teaching Days 2025

We are excited to invite you to the annual International Teaching Days at our Steyr Campus! This unique event brings together educators from around the world to share knowledge, collaborate, and engage with local students.

Whether you're a professor, lecturer, or researcher, you have the opportunity to host a workshop or case study, providing students with fresh perspectives and valuable insights. Let's work together to create impactful educational experiences!

12th - 14th May 2025

Teach, learn, practice or do all together with our interactive seminars and workshops.

Travel with us to experience breathtaking nature and pure culture of Austria.
